

Fuel Yourself With Knowledge

A NARO Education, Advice and Support Event

ATTENTION MINERAL, ROYALTY AND LAND OWNERS!

The National Association of Royalty Owners is a non profit organization here to help you make the best decisions about your mineral property through education!

If you have been contacted to **lease your minerals, grant a right-of-way, surface, or sub-surface agreement**, let us help you understand the process and paperwork. This event will help you learn about the oil and gas activity in your area, and what could happen next within the Austin Chalk Play. Meet the people who represent you at the state and national levels. NARO is the only national organization representing solely and without compromise oil and gas royalty owners' interests. It is **FREE** to attend! Please plan to join us.
