If you thought the 2018 OK NARO convention was informative, just wait until you see what we have planned for 2019! In addition to an outstanding line up of speakers and educational topics, we will be welcoming famed business author Greg Zuckerman.

Gregory Zuckerman is a Special Writer at The Wall Street Journal, a 20-year veteran of the paper

and a three-time winner of the Gerald Loeb award — the highest honor in business journalism.

Greg is the author of “*The Frackers: The Outrageous Inside Story of the New Billionaire Wildcatters*,” a national bestseller.

The book describes how several unlikely individuals created an American energy renaissance that brought OPEC to its knees. *The Frackers* was named among the best books of 2014 by The Financial Times and Forbes Magazine and book of the year by the New York Financial Writers Association.

At the Journal, Greg writes about big financial firms, personalities and trades, hedge funds, the energy revolution and other investing and business topics. Previously, Greg was the lead writer of the widely read “Heard on the Street” column and covered the credit markets, among other beats.

All attendees receive a complimentary copy of *The Frackers* with paid registration.

Hotel reservations should be made with Embassy Suites directly, 405-239-3900 or 800-445-8667
The NARO Group Rate is \$139 until April 22, 2019.

Refunds for event registration will be subject to a \$75 processing fee. **Registration refunds will not be available after April 24, 2019.**
