The National Association of Royalty Owners, Pennsylvania chapter is dedicated to the education of Pennsylvania mineral and royalty owners.

We are changing it up in 2019! This year, Regional East and West Conferences located within two major hubs of oil and gas development will replace our customary conference held in State College. We have designed two exciting agendas tailored to each region. Speakers will cover a range of topics crucial to effective management of your mineral interests including oil and gas law, royalty management, drilling technology and industry updates. The popular Roundtable discussion will return on Friday evening including a legislative update and informal discussions of local interest.

Join us for one or both!

Hosted at the
Best Western Grand Victorian Inn
255 Spring Street Sayre, PA
