YOU'RE INVITED TO THE NARO LOUISIANA CONVENTION!

The National Association of Royalty Owners, Louisiana Chapter is dedicated to the education of Louisiana mineral and royalty owners. We are planning an incredible program for the 2023 annual convention.

The energy business is No. 1 in Louisiana with a long history of fueling the economics of our great State.

Royalty owners are charged with managing development of their minerals while working with industry partners and operators. NARO is their support system when needed.

Find out during our event what you need to know to be a responsible partner in Louisiana's energy development. See you in Bossier City!
