JOIN HANDS WITH NARO NATIONAL

The National Association of Royalty Owners—would like to invite you to share your knowledge with our membership and be a speaker at our 2022 convention. This is an exciting year for us, as NARO celebrates 42 years of helping royalty and mineral owners across the nation.

NARO National has built a reputation for offering one of the finest mineral and royalty owner educational events in the nation. Be part of this exciting experience!

This event will be held October 9th - 12th at the River Spirit Casino Resort. 8330 Riverside Pkwy, Tulsa, Oklahoma 74137.

We anticipate 350 - 400 attendees at our event, including individual royalty owners, family businesses, bank trust officers, institutional royalty trust managers, landmen, attorneys, CPAs, ranchers, oil and gas production professionals, professional mineral managers, and investors.

Our event sessions are generally 50 minutes long, including Question & Answer time. Once you are confirmed you will be sent an email with your final time slot. If you need to request a specific time to accommodate another obligation, please let me know when you confirm. We are glad to be as flexible as possible with our agenda.

We are very grateful to you for considering a gift of time and talent to our organization. The education mission of the National Association of Royalty Owners can only succeed with the help of energy related professionals and our elected officials. While we are not able to pay our speakers, we do provide one night at the hotel and full registration to the event to all speakers. Additionally, we expect to receive approval for continuing education credit for most professional designations. If you are able to join us as a presenter this year, please complete the included presenter form and return it to Jack Fleet, jfleet@naro-us.org, so we can release our agenda to our membership as soon as possible.

Thank you for helping!

Jack Fleet

WHAT YOU NEED TO KNOW AS A PRESENTER

- ▶ **Bring your presentation on a flash drive** to be loaded before your presentation begins.
- ▶ **Please bring everything you need with you.** What you submit in advance is used for the printed event materials. Plan to Arrive 1 hour before your set presentation time. Please let us know in advance if this is something your schedule will not allow.
- ▶ Keep in mind that NARO is a non-partisan educational group of diverse members. We ask that you **do not make political or religious comments**. We also ask that you **do not make any remarks that could be considered a 'sales pitch'** for products or services during your presentation.
- ▶ Avoid small print or busy graphics on your slides as they are hard to read on screen and in the course book, which is printed black and white.
