**YOU'RE INVITED TO THE NARO TEXAS &  
 NEW MEXICO CONVENTION!**

The National Association of Royalty Owners, Texas Chapter is dedicated to the education of mineral and royalty owners. We are planning another great program for the 2022 convention!

Our last two conventions have drawn nearly 350 attendees. We expect another full house this year and space is limited, so please do not wait to register.

Royalty owners charged with managing the development of their minerals will want to be armed with the latest information and NARO is their support system. Many things are happening in the industry and the convention committee has worked diligently to bring you a line-up to cover topics we feel are important. You don't want to miss this year's convention.

For those just learning mineral ownership or if you just want a refresher, don't miss Mineral Management 101, our three-hour introductory course. We are having a full day of two track seminars- beginners and advanced. There is an early-bird member rate of \$425 and space is limited, so please register today!

John B Collier V, NARO Texas President
