## YOU'RE INVITED TO THE NARO TEXAS & NEW MEXICO CONVENTION!

The National Association of Royalty Owners, Texas Chapter is dedicated to the education of mineral and royalty owners. We are planning another great program for the 2020 annual convention.

Our last two conventions have drawn nearly 350 attendees each year.

Royalty owners charged with managing development of their minerals will want to be armed with the latest information and NARO is their support system.

For those just learning mineral ownership, don't miss Mineral Management 101, our three (3) hour introductory course. New this year: a full day of two track seminars – beginners and advanced. Early Bird prices have been lowered to \$399 from last year - so register early and take advantage! See you in Houston!
